Miscarriage & Infant Loss Support Guide For Families

Diocese of Colorado Springs

To the Families

If you are here, you have likely suffered the unthinkable loss of miscarriage, stillbirth or infant loss. We're sorry. We are so, terribly sorry, for your pain, for your despair, for your anger, for your sorrow.

We understand because we have been there. In March 2021 we lost our fourth child, Bernadette Marie to an early miscarriage. It was she, along with the courageous stories of many other families who have walked through infant loss, who inspired the development of this ministry.

You are loved, you are not alone in your loss, and God's mercy is infinite.

❧ Miscarriage Prayer ❧

My Lord, the baby is dead!

Why, my Lord— dare I ask why? It will not hear the whisper of the wind or see the beauty of its parents' face— it will not see the beauty of Your creation or the flame of a sunrise. Why, my Lord?

“Why, My child— do you ask ‘why’? Well, I will tell you why.

You see, the child lives. Instead of the wind he hears the sound of angels singing before My throne. Instead of the beauty that passes he sees everlasting Beauty— he sees My face. He was created and lived a short time so the image of his parents imprinted on his face may stand before Me as their personal intercessor. He knows secrets of heaven unknown to men on earth. He laughs with a special joy that only the innocent possess. My ways are not the ways of man. I create for My Kingdom and each creature fills a place in that Kingdom that could not be filled by another. He was created for My joy and his parents' merits. He has never seen pain or sin. He has never felt hunger or pain. I breathed a soul into a seed, made it grow and called it forth. ”

I am humbled before you, my Lord, for questioning Your wisdom, goodness, and love. I speak as a fool— forgive me. I acknowledge Your sovereign rights over life and death. I thank You for the life that began for so short a time to enjoy so long an Eternity.

-- Mother M. Angelica

PART I: Managing the Physical Loss of Your Child

AT YOUR DOCTOR'S OFFICE

It is an unfortunate reality that we live in a world where many of our medical professionals lack the bedside manner that they would have, if they had a truly correct pro-life worldview. We have pro-life doctors within our Diocese, but we don't always get to choose our doctors, due to health insurance plans and other restrictions.

If you find that your doctor does not share your pro-life worldview, we do not want you to be caught off guard if the following occurs:

- Your doctor shifts from discussion about “your baby” and instead refers to your child as a “pregnancy” or a “fetal demise.”
 - i.e. Your physician says, “The pregnancy is not viable.”

Though they may not mean to do this, the shift in language begins the process of dehumanizing our children. When our children are dehumanized it becomes very easy for the lies of the enemy to creep in and convince us that we don't need to treat them like the precious children of God that they truly are.

Do not allow anyone to make you feel like this is not a loss worth mourning. But also remember what Jesus said on the cross, “Father forgive them, they know not what they do” (Luke 23:34). This is an opportunity to unite our suffering to Christ's on the cross, and to offer that suffering up for the conversion of heart of those who do not share our respect for life.

- Particularly in the case of a very early miscarriage the ultrasound technician may not understand your desire to have a picture from your ultrasound. Your child may not yet “look like a baby” but as a people of life, we know their humanity and worth. Life begins at conception, and a new life was known and planned by God long before we have walked this earth.

This is one of the only pictures you may ever have of your child. If you want a copy, insist on being given a copy.

MISCARRIAGE COLLECTION KITS & DELIVERY AIDS

In cases of early pregnancy loss, it may be difficult to preserve the remains of your child, but if you are able to do so, Miscarriage Delivery Aids are available through the **Respect Life Apostolate, at no cost to families**. Please contact Ashley Slack at 719-960-7197, or pick up a kit at the front desk of any Colorado Springs Pregnancy Center (CSPC). The CSPCs will provide a kit, no questions asked, and have three locations across our diocese:

<https://www.elifenetwork.com/contact-us/>

A Miscarriage Delivery Aid includes a delivery aid that allows your baby's remains to be recovered and then respectfully placed in a vessel with saline solution, and a velvet pouch for burial or cremation. They are available in different sizes based on the needs of the family and how far along in the pregnancy you were. Directions for use are included with each kit and also at <https://www.diocs.org/Pastoral-Services/Respect-Life/Miscarriage-Support-Ministry>

MEDICAL INTERVENTION FOR HEALTH & SAFETY OF MOTHER

If you require surgical intervention to complete a miscarriage, **Colorado Legal Statute 25-2-110.5** (hyperlink below) demands the proper care of your child's remains and their release to your family or a funeral home, if you request it. **Please be sure to ask the medical facility about your rights to your child's remains**, if this is your family's situation, and rest assured that both major medical systems in our area have policies in place to serve you in your time of need.

Colorado Legal Statute 25-2-110.5:

The relevant section of this Statute can be found **on page 151** of this document.

PART II: Burying the Dead: A Corporal Work of Mercy

FUNERAL & MEMORIAL MASSES

The Church understands that burying the dead is one of the corporal works of mercy (CCC 2447). The Church also affirms, “**As regards children who have died without Baptism, the Church can only entrust them to the mercy of God, as she does in her funeral rites**” (CCC 1261).

Miscarried and stillborn babies are children who have died before Baptism. This may also be the case with children who die soon after birth. Please know that you have a right to bury your miscarried or stillborn child like any other family member. You also have a right to a Funeral or Memorial Mass for your child, no matter how early you miscarried, and even if you do not have bodily remains. Typically, a Funeral Mass is appropriate if you have bodily remains, while a Memorial Mass is appropriate when there are not any bodily remains.

Please speak to your local parish and priest about your options for a Funeral or Memorial Mass or another appropriate liturgical rite. Not only is this a vital corporal work of mercy, but the opportunity to seek healing in our Lord is invaluable.

CASKETS, VESSELS & URNS

The Respect Life Apostolate now has caskets available for miscarriage losses specifically, at no cost to families. Please contact us if you are in need of one.

Additional resources include:

BABY RESTING GOWNS

For the burial of stillborn children and full-term losses, we have available at no cost to families, baby resting gowns, handmade out of the generous donations of wedding gowns that have been converted into resting gowns for our tiny saints. Contact Ashley Slack at 719-960-7197.

Catholic Funeral and Cemetery Services (CFCS) of Northern Colorado includes **Mt. Olivet Catholic Cemetery**, **St. Simeon Catholic Cemetery** and **Archdiocese of Denver Mortuary**.

Mt. Olivet Cemetery is located at 12801 W. 44th Avenue, Wheat Ridge, Colorado 80033 and offers the **Precious Lives Burial ministry**. All families, no matter their faith are welcome to place their miscarried and stillborn children into care with this ministry. They will bury our infant losses, at no cost to families. They also offer monthly memorial Masses. **Contact information:** (303) 502-9666, <https://cfccolorado.org/immediate-need/precious-lives-burial/>

****It is important to know that both major hospital systems in our Diocese offer ecumenical memorial services with mass cremation of fetal remains for families who have miscarried in their care. While there is good intention from these medical organizations, treatment of the human body in this way is actually in opposition to our Catholic faith.****

MEMORIAL IDEAS & OPPORTUNITIES
